Greetings of peace and love!

I am strongly recommending Renalyn O. Manrique to your organization in this letter. I believed Rena performed at an extraordinarily high level when we initially started working together as government employees six years ago in our little school in Limay, Bataan, Philippines.

Rena is highly responsive to her obligations and is able to comprehend even the most challenging directions. She is already a resource for the office workers. She also works on various initiatives, and that was done on my advice and the employees' insistence. Her peers only have love and respect for her, and they see her as a capable leader.

I was both sorry and happy to discover that they would have to relocate in order to find a greener pasture, and I believe this is the best thing for her career. Please feel free to contact me by phone at +63 9985761712 or by email at [jjbordona@bpsu.edu.ph](mailto:jjbordona@bpsu.edu.ph) if you have any inquiries or need any confirmations.

Sincerely Yours,

  
JASHRELL JOHN B. ORDOÑA, EdD

### *Our Vision*

*A leading university in the Philippines recognized for its proactive contribution to Sustainable Development through equitable and inclusive programs and services by 2030.*

### *Our Mission*

*To develop competitive graduates and empowered community members by providing relevant, innovative and transformative knowledge, research, extension and production programs and services through progressive enhancement of its human resource capabilities and institutional mechanisms.*
